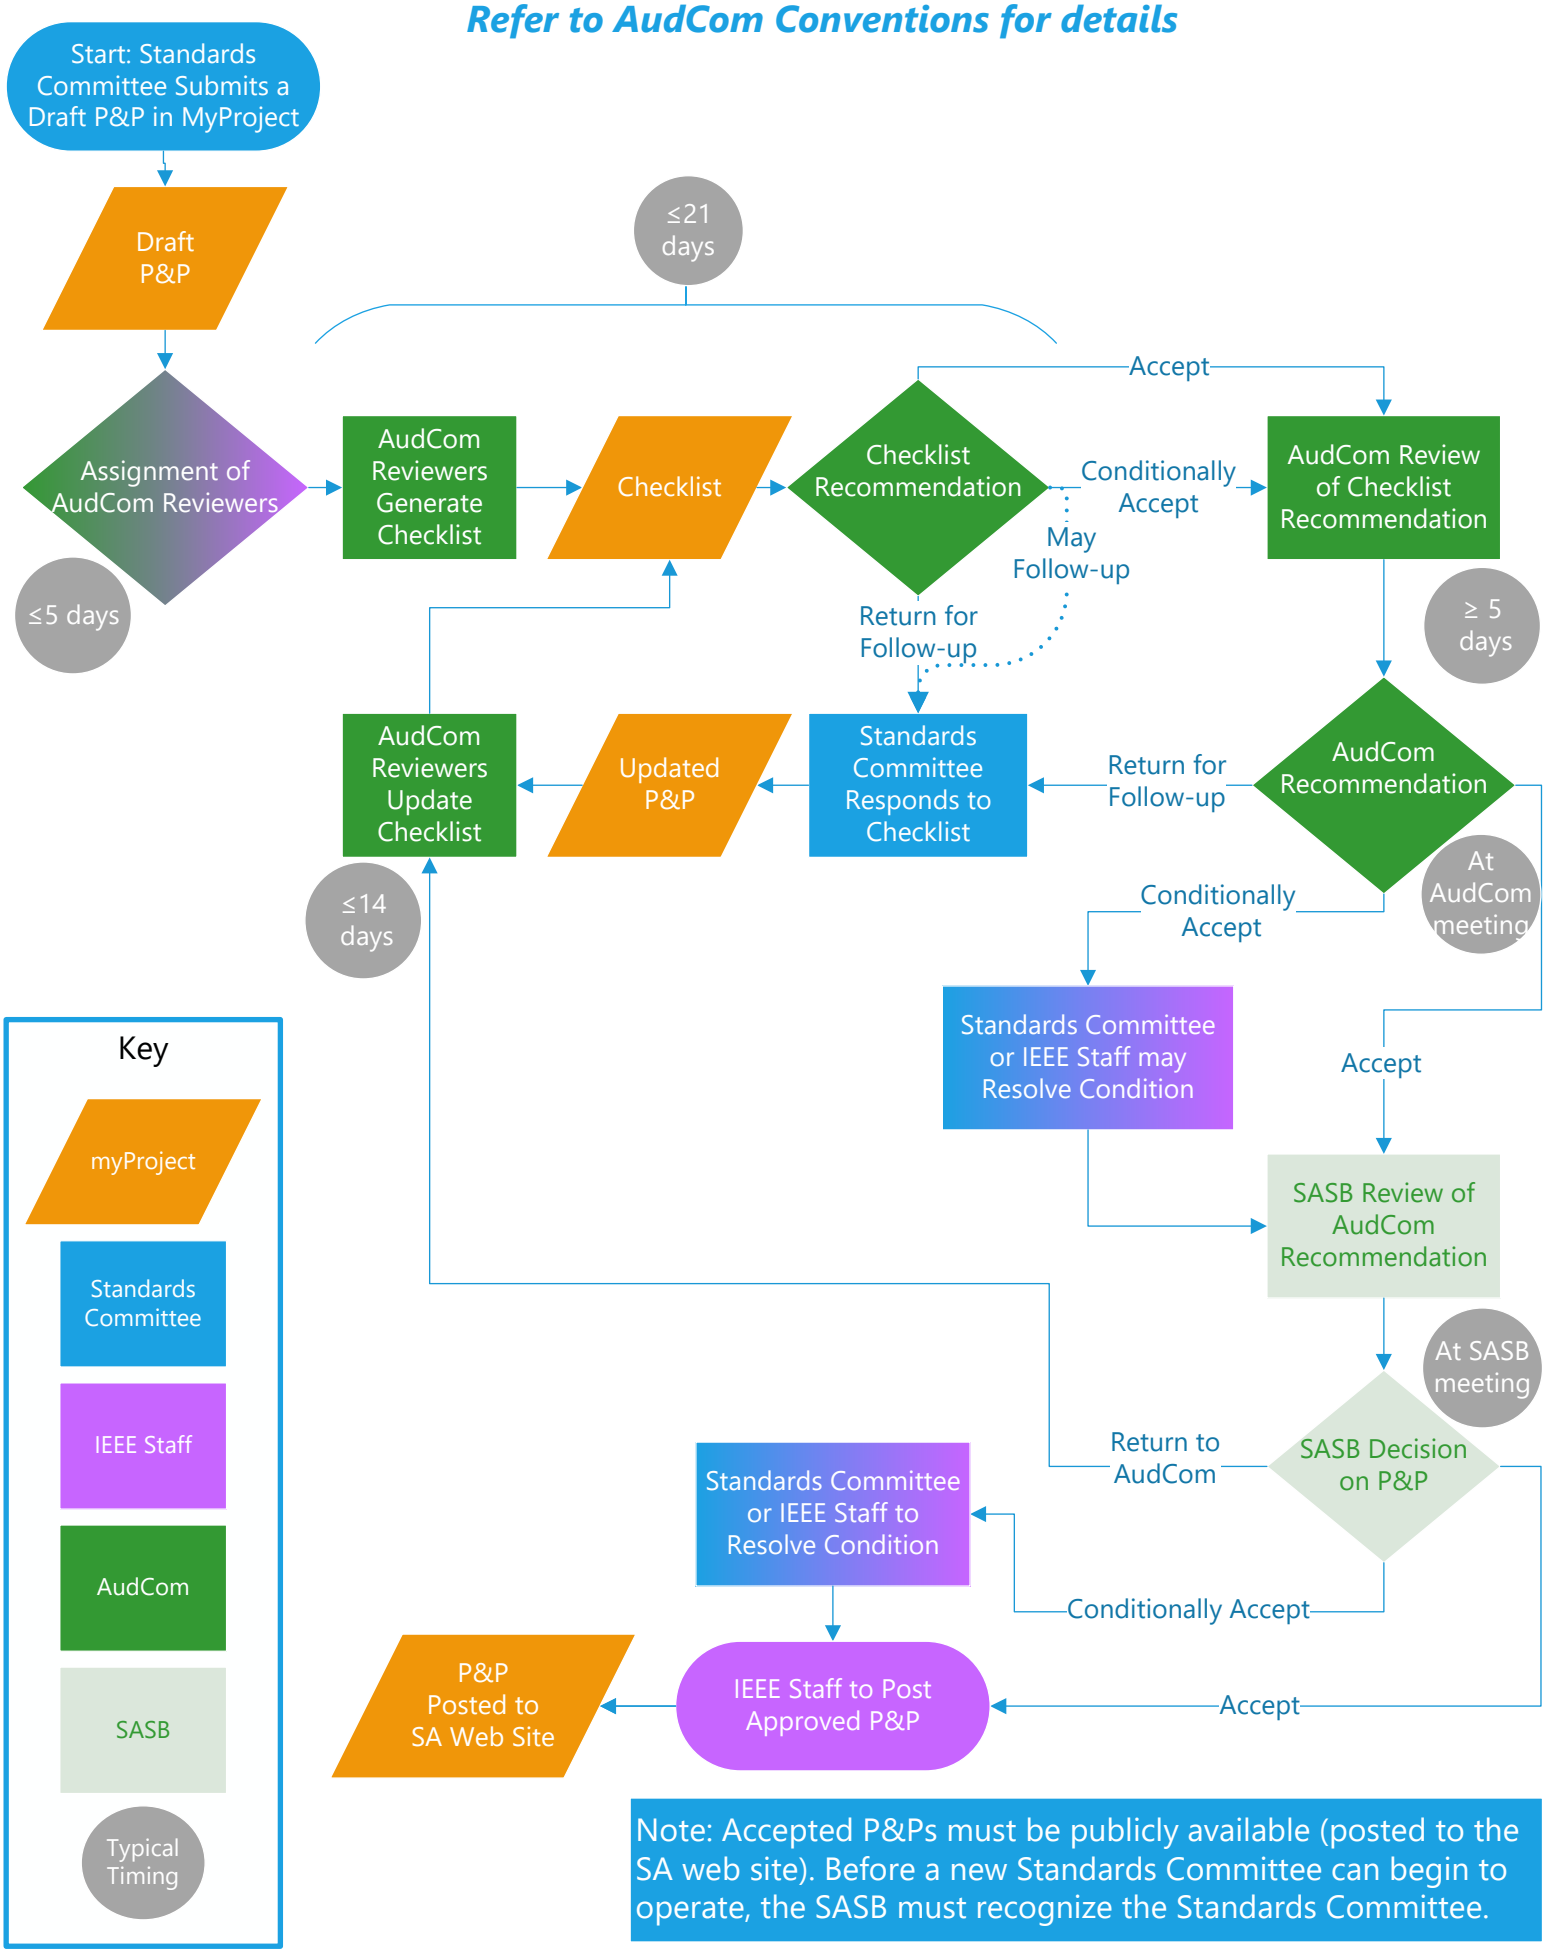
Standards Committee P&P Review Process

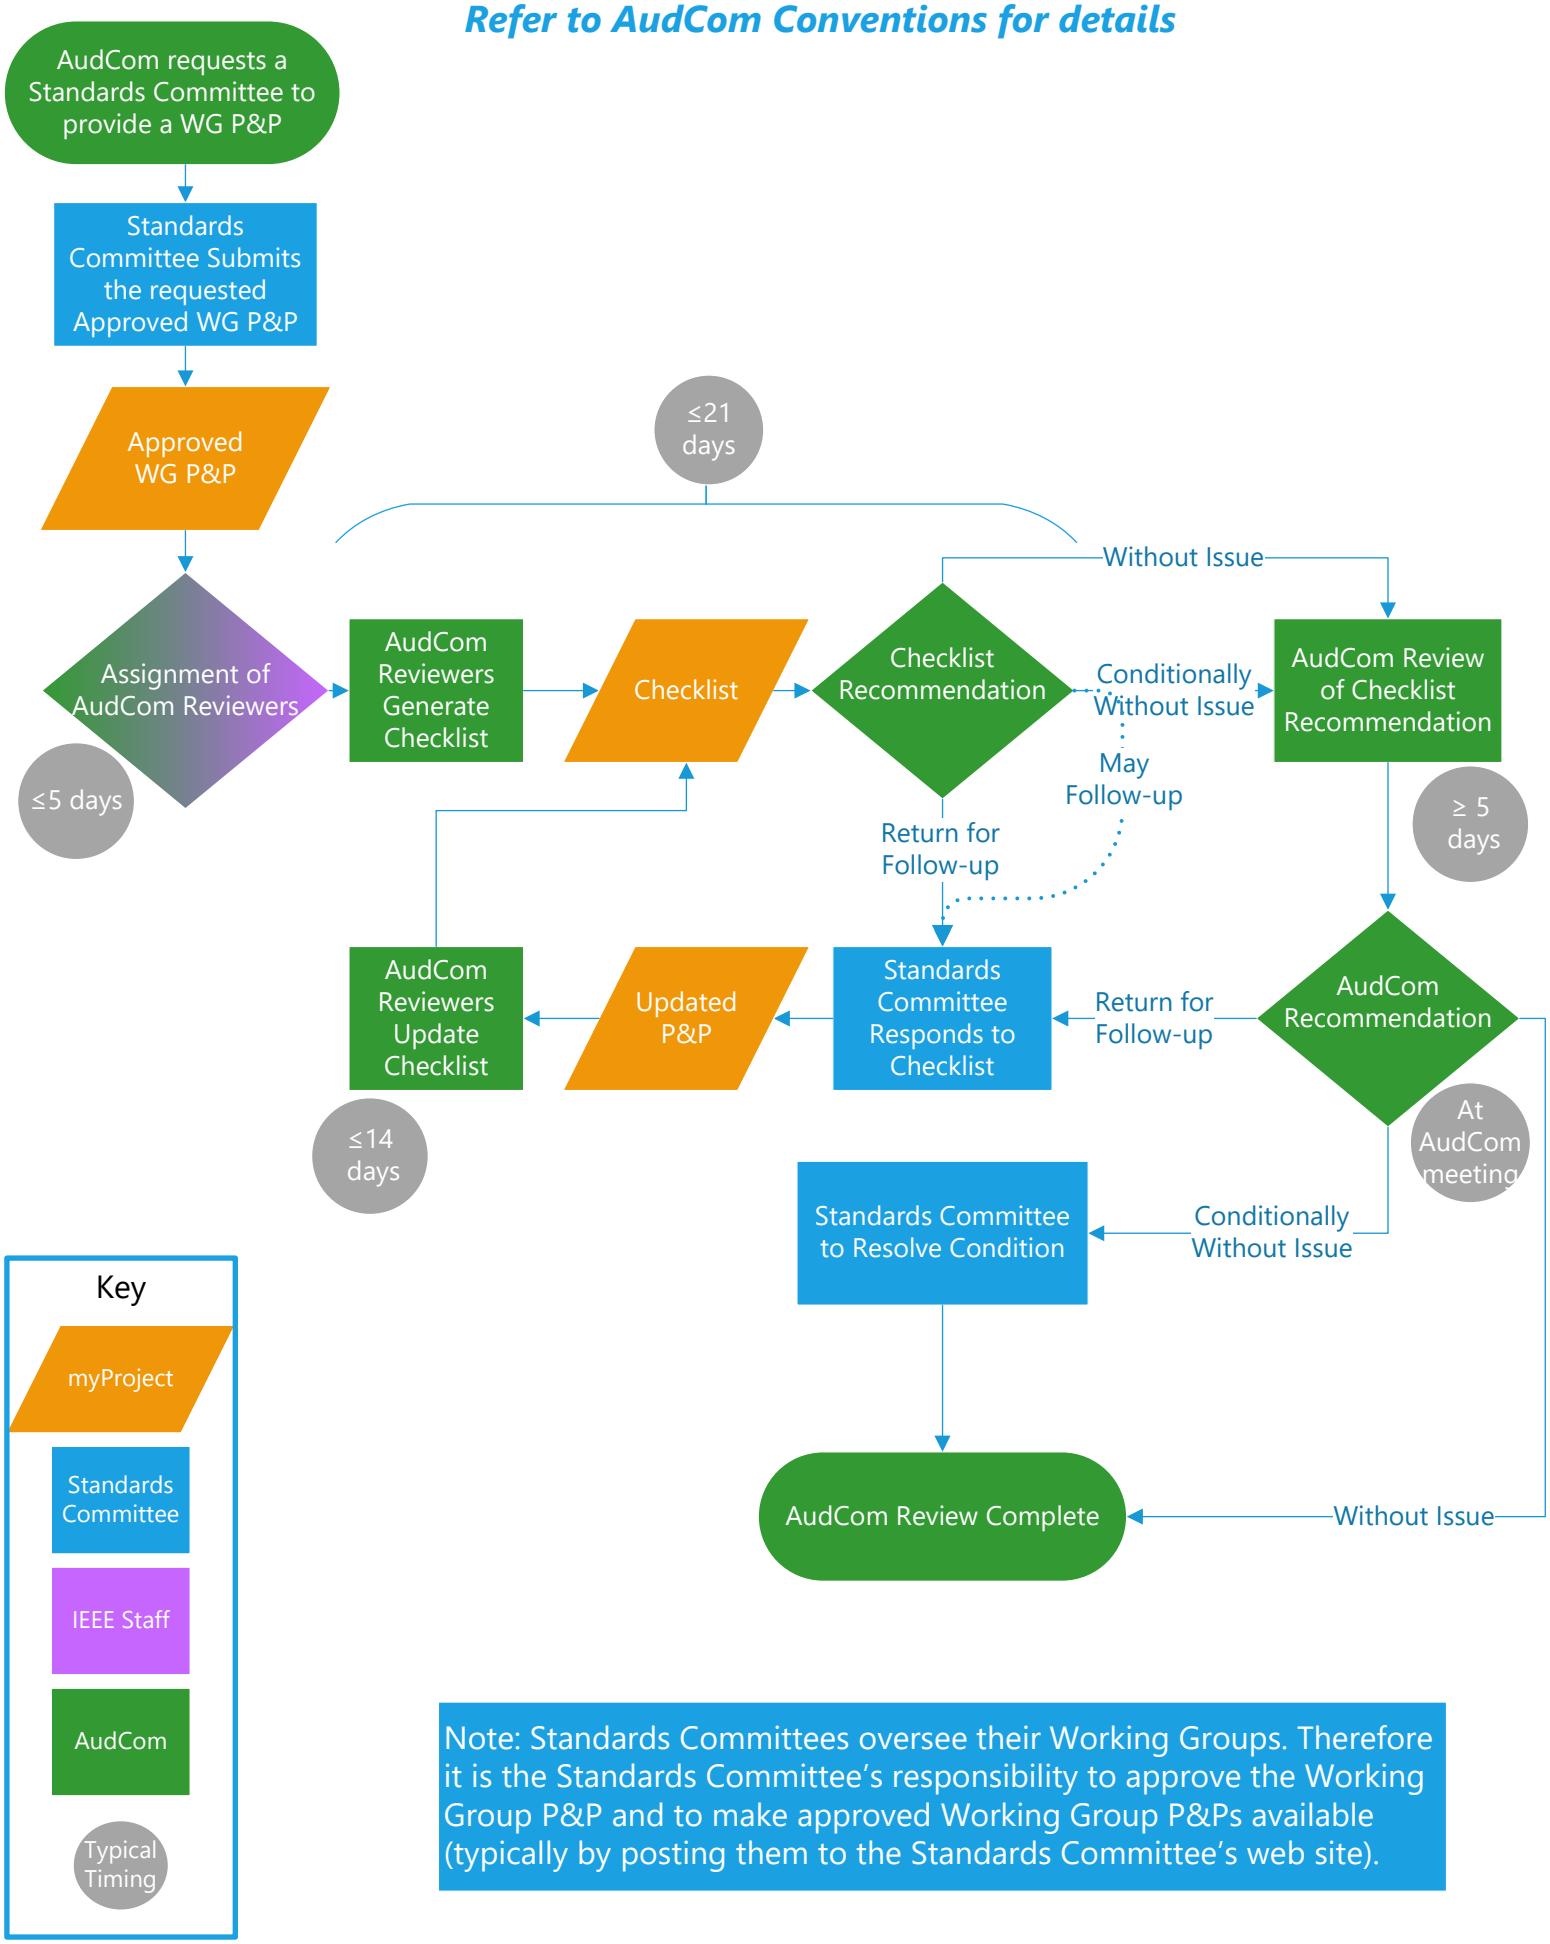
Refer to AudCom Conventions for details



Note: Accepted P&Ps must be publicly available (posted to the SA web site). Before a new Standards Committee can begin to operate, the SASB must recognize the Standards Committee.

Working Group P&P Review Process

Refer to AudCom Conventions for details



Note: Standards Committees oversee their Working Groups. Therefore it is the Standards Committee's responsibility to approve the Working Group P&P and to make approved Working Group P&Ps available (typically by posting them to the Standards Committee's web site).
